

Dear TTS Fitness Family!

Many of you may already know our news, some may have heard rumors, and others may not know at all, but the time has come for us to officially announce our news!

Our current building has been sold and the new owners will be taking possession mid-April so TTS Fitness will be moving across M-37 to a double space in the Middleville Town Center mall between the Thornapple Kitchen and Dr. Noah's office. We are extremely excited about the new opportunities this brings to our existing and future TTS Fitness members!

With the above being said, we want to share a little more about our TTS Fitness journey and what this move means to all of us.

We (Lori and Wade) have worked tirelessly together over the last 7+ years to build TTS from the ground up. We have also been blessed with many great instructors, trainers, and TTS Fitness members to whom we are very thankful for! We truly feel like you are all family and when the sale of our current building was being considered, we looked at this as a crossroads that could have led us in a couple of totally different directions. For a brief moment we looked at this as a way for us to end our journey and close shop, but we didn't feel that was the right thing to do for our community, customers, and friends. We hear so often that TTS Fitness is unique in so many ways and that is what makes us great, so we decided that if we were going to move, then we were going to make it even better!

We have made a substantial investment in this move in many ways including a completely new space buildout and new equipment that will be arriving this week. We have spent countless hours researching, planning and building behind the scenes to make this investment in you, our members and TTS Fitness family and we hope that you share in our excitement of what this move will bring to our community! Our current schedule, classes, and hours will all remain the same for the time being and once we are settled, we will look at any necessary adjustments and welcome any suggestions.

The pieces are all falling into place for our official opening at the new facility on Monday April 4<sup>th</sup>, 2022. Please excuse our mess in our current space if you see things start to disappear slowly over the next few weeks. We will be closed on Saturday April 2<sup>nd</sup> to move any equipment we are taking with us to the address which is 4525 N. M-37 HWY Suite L.

We want to thank you once again for being a part of our TTS Fitness family and we look forward to serving you even better in our new home!

P.S. Miah and Audi are a little nervous with the move so they said to remind you that treats are always welcome 😊

Wade and Lori Poland
